to 450 units of the **TM-T70II** thermal receipt printers for ; please note that the maximum roll out date for this

Epson Product Code	Model	Product Description	Price per unit (AUD ex GST)
C31CK50202	TM-M30III-202	USB/Ethernet Thermal Printer - Black	\$275.00
C31CD38002	TM-T70II-002	Built-in USB, Parallel, Front facing receipt printer	\$275.00

Terms & Conditions:

- This price quotation supersedes all other quotations.
- A copy of the customer PO must accompany the Sample Distributor Pty Ltd.
- After the acceptance of this quote, and where appropriate, Sample Distributor Pty Ltd must confirm the ongoing roll-out schedule over the life of this contract.
- All Sample Distributor Pty Ltd purchase orders placed for the above product with Epson Australia must include the above 'Contract No' to receive the above project pricing, otherwise standard pricing will be applied.
- Pricing is quoted F1S to Sample Distributor Pty Ltd.
- Epson Australia will endeavour to supply the above quantity in the shortest possible time but reserves a minimum lead time for finished printer products and printer mechanisms of up to 12 weeks. For this particular project, Epson Australia would require a roll out timing schedule to meet delivery expectations.
- Sales for this project are not included in revenue rebate or incentive programs.
- Price Quotation is valid for 90 days from quotation date as shown above and by placing a PO with Epson Australia for the above quantity will lock the above prices in for the duration of this quote.
- If there are any variations to the printer model, specifications or quantity outlined above a new quotation will be required to be issued.
- Epson Australia reserves the right to adjust the above pricing to accommodate any exchange rate fluctuations or supply chain expense increases that may occur over the period of this contract.

If you have questions about any of the above, please do not hesitate to contact me.
