1. This quote ("Quote") is issued by Nutanix to the legal entity identified as the Distributor/Buying Entity ("Distributor"). This Quote is provided solely to Distributor and is valid only until the earlier of (i) 90 calendar days from the date of issuance of the Quote or (ii) Quote Expiry Date stated herein if the quote contains only Nutanix Products. Nutanix retains sole discretion to revise, reject, or cancel this Quote and any related Purchase Order / PO(s), prior to order placement.
2. All POs placed under this Quote and accepted by Nutanix are governed by the Distributor Agreement or other applicable duly executed agreement between Nutanix and Distributor ("Distribution Agreement"). Terms not otherwise defined herein shall have the meaning set forth in the Distribution Agreement and/or NLSA. In the event of conflict this Quote prevails. Any conflicting or additional Distributor PO terms are rejected and shall not apply.
3. This Quote is issued solely to Distributor. No third party may rely on this Quote or claim any rights arising from it. Distributor is not authorized to make commitments on Nutanix's behalf except as permitted under the Distribution Agreement or expressly agreed in writing between Nutanix and Distributor. The content of this Quote, including all pricing set forth herein, is Nutanix Confidential Information.
4. Prices are stated in United States Dollars and exclude taxes and duties. Displayed unit prices and discounts are rounded to two decimal places. Actual calculations may use additional decimal precision. Rounding will not affect Quote validity. Totals shown in this Quote are the binding totals, and all other prior representations, proposals, and other information exchanged by Nutanix and Distributor concerning prices and pricing terms are superseded in their entirety by this Quote. All POs are non-cancellable, non-contingent and non-refundable by/to Distributor upon receipt by Nutanix.
5. Products are licensed based on the Usage Capacity as stated in the Product description and Quantity fields.
6. Any Product listed in this Quote without a standalone price is included solely as a component of the priced Product in which it appears and is not licensed and sold separately. Such components may only be used in conjunction with the applicable priced Product and are subject to the same Subscription Term (or "Term") and licensing restrictions as the priced Product. Self-Encrypting Drives (SEDs) require specific Products that expressly support SEDs. Distributor must ensure that Products on this Quote include SED support if this feature is required and communicate the same to End User ("Customer").
7. The Subscription Term begins on Delivery unless otherwise agreed in writing or stated otherwise herein. Nutanix will invoice all fees on receipt of PO unless otherwise agreed in writing or stated herein. Support Services for NX-branded hardware are invoiced upon hardware order fulfilment.
8. In the event that an Entitlement to Nutanix Products and/or NX Hardware Support expires and reinstatement is subsequently requested, Nutanix may charge for lapsed time for the Nutanix Products, as well as for the period during which NX Hardware Support was not active. Nutanix also reserves the right to apply an administrative fee in connection with such reinstatement.
9. Professional Services may be delivered remotely unless otherwise agreed in writing. On-site services may incur additional charges. The scope of Professional Services is outlined in the executed Statement of Work and/or our Professional Services SKU descriptions which can be found at <https://www.nutanix.com/support-services/professional-services>.
10. Distributor shall require Reseller to include the following in its quotes to Customer (unmodified other than as necessary to conform defined terms) pursuant to a valid and enforceable written agreement: "Customer's use of Nutanix's Products is governed by the Nutanix License and Services Agreement set forth at <https://www.nutanix.com/eula/> ("NLSA")
11. Distributor acknowledges that any future product or roadmap information presented by Nutanix outline general product directions, are not commitments to deliver any functionality, product, or service and should not be relied on in making a purchasing decision. The development, release, and timing of any features or functionality remains at Nutanix's sole discretion. The Distributor must flow down the foregoing through the Reseller to the Customer.
